Finals begin immediately after the 1:30pm squad. 1st place qualifiers of each squad receive a bye in the 1st round of the finals. If a bowler qualifies in an earlier squad and chooses to re-enter, he/she will advance based on their initial qualifying position, *unless*, they qualify 1st in the squad they re-enter in which case they would receive a first-round bye in the finals. Their initial position in the finals would then go to the next person in line on the earlier squad. Remaining qualifiers will bowl two (2) game total pin elimination within their qualifying squad. The total cut per round (and number of cut rounds) will depend on total entries per squad. This format will continue until there are two (2) bowlers from each squad remaining who will come together and advance to the grand final title match in a 2-game total pins format determining the final four (4) positions and the champion. *Format may be altered based on entries.*
- 13) **This section does not cover every and all circumstances that may arise, therefore the Tournament Director has final say in all matters concerning the tournament and reserves the right to reject any entry.**
